

REMINDERS for Washington County Fair 2021

ANIMAL EXHIBITORS:

For YOUTH exhibitors, the Ownership & Transfer of ownership date of YOUTH Livestock is the same as it has always been: JUNE 15th.

All Registered Youth Livestock must be registered in the name of the Individual Youth Exhibitor, NOT the farm name. All youth must show their own animals unless they have more than 1 animal in the class and then they are to get another youth exhibitor to help them.

For OPEN class exhibitors, the Ownership & Transfer of ownership date of OPEN CLASS Livestock is NOW : JULY 15th. (However, if a farm or open exhibitor is Leasing animals to YOUTH, those ownership/transfer of ownership dates must be by June 15th as it involves the youth.)

REMINDER: All animals 4 months or age or older are required to have been vaccinated for Rabies at least 14 days prior to opening day of Fair and not more than 365 days prior to opening day of Fair .
(as required by the Washington County Fair)

CATTLE & SWINE

ALL CATTLE AND SWINE must be identified by an official USDA approved eartag. Radio Frequency Identification (RFID) eartags, commonly referred to as "840 RFID tags", are strongly recommended, but not required for 2021 Fair. Please call 518-457-3502 with further questions (and free eartags).

ENTRY PROCESS

Exhibitor's Handbook will only be available on line this year.

We have made a Book of Instructions and a Video of "How to Enter On Line" (on the website) that exhibitors will be able to download in hopes of making the on line entry process easier.

If you have questions, please contact the Entry Office and we will be happy to assist you in any way you need to make your entries on line a successful experience.

Please see the modified Entry Office Hours listed on page 11.
We have tried to accommodate times that benefit our exhibitors.
